

# Determine your ring size

You can use this template online or for a more accurate result in printed form. You will also need a ruler and a ring in your desired size.

Make sure that you are not in zoom mode and check the printer properties (A4 portrait, no margins, no page adjustment, print size 100%).

**Step 1:** open the template as pdf or print it

**Step 2:** measure the control dimension, which must be exactly 5 cm online or printed

control measurement (5cm)

**Step 3:** Now place your ring on the matching circle. The inner circumference of the ring must be even with the outer edge of the circle.
